Tri-Angle Precision Reamers is pleased to present our newest catalog. We would like to take a moment to announce some of our exciting capabilities to you, some that have been offered all along and some that are new and are growing at an impressive pace.

As always, we can provide reamers with Coatings that will help prolong tool life, for example, TiN and TiCN as well as AlTiN. We also find ourselves making more and more Piloted Reamers. We feel that our exceptional quality, competitive pricing and unmatched delivery have made us a leader in this and other areas of our business.

We are also becoming well known for our Special Length Reamers and our ability to offer Rush Delivery to meet your needs in a timely manner.

Finally, for those in need of Threaded Shank Reamers, we are now offering them. We would love the opportunity to discuss your requirements because we know you will find us to be an excellent resource in this area.

We look forward to answering any questions you may have regarding these or other requirements as well, we are constantly evolving based on the needs of you, our valued customers.

If unsurpassed Quality, Friendly and Knowledgeable Customer Service along with Competitive Pricing are important to your Business, get in touch with us today, we are excited to prove ourselves and to exceed your expectations by having a positive and immediate impact.
